

2024 WinCo Holdings, Inc. Benefit Summary (Hourly)

ESOP (Employee Stock Ownership Plan) - Employees that have attained age 19, have been employed for six months and have worked at least 500 hours during those six months will have an ESOP account established for them. Employees are fully vested after six plan years with at least 1,000 hours worked in each plan year - which is the same as WinCo Food's fiscal year. Shares are placed into all eligible employees' accounts once a year. Shares are allocated based on the employee's percentage of the company's payroll. Statements are issued annually. (Please refer to the Summary Plan Description book for specific details.)

Basic Insurance Package - Medical, dental, vision, prescription, short-term disability, and group life and accidental death & dismemberment (AD&D). (Please refer to the Summary Plan Description for complete details.)

Eligibility: After 3 full consecutive calendar months with a minimum of 100 hours per month. The plan has a six month stability period with a three month look-back period. Employees remain eligible if they have a minimum of 300 hours worked in the look-back period. Coverage will be cancelled if the 300 hours requirement is not met, and the employee must requalify for coverage.

Cost: Health insurance premiums are deducted once a month. Here are the monthly rates based on coverage:
