**10.** Enter your pharmacy insurance card information in the *Add pharmacy insurance* screen and click *Add Insurance*

**Add pharmacy insurance**  
Add your insurance to cover your prescriptions.

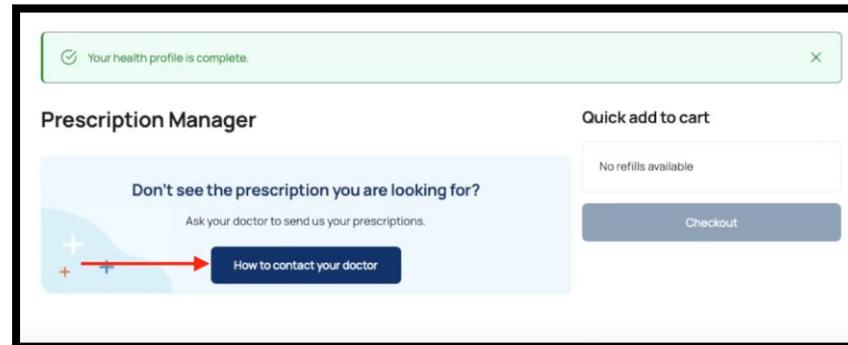

**Where can I find this?**  
Most (but not all) insurance cards have Rx bin, Rx group, and PCN numbers. Don't worry if your card doesn't display all those numbers—some are optional.

Rx PCN (optional)  Rx Group \*

[Cancel](#) [Add insurance](#)

**11.** Click *How to contact your doctor* for information to help when asking your doctor to send a new prescription to the pharmacy

✔ Your health profile is complete.

**Prescription Manager**

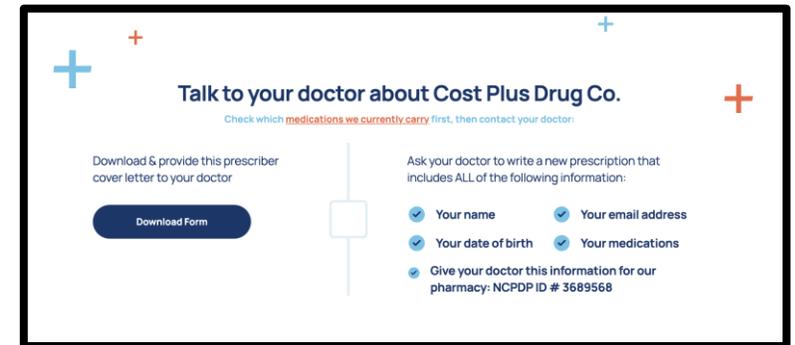

Quick add to cart

No refills available

[Checkout](#)

**Don't see the prescription you are looking for?**  
Ask your doctor to send us your prescriptions.

[How to contact your doctor](#)

**Talk to your doctor about Cost Plus Drug Co.**  
Check which [medications we currently carry](#) first, then contact your doctor.

Download & provide this prescriber cover letter to your doctor

[Download Form](#)

Ask your doctor to write a new prescription that includes ALL of the following information:

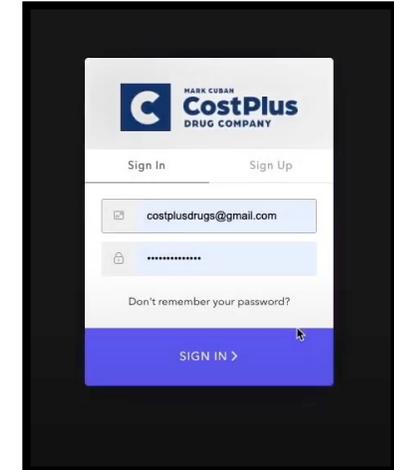

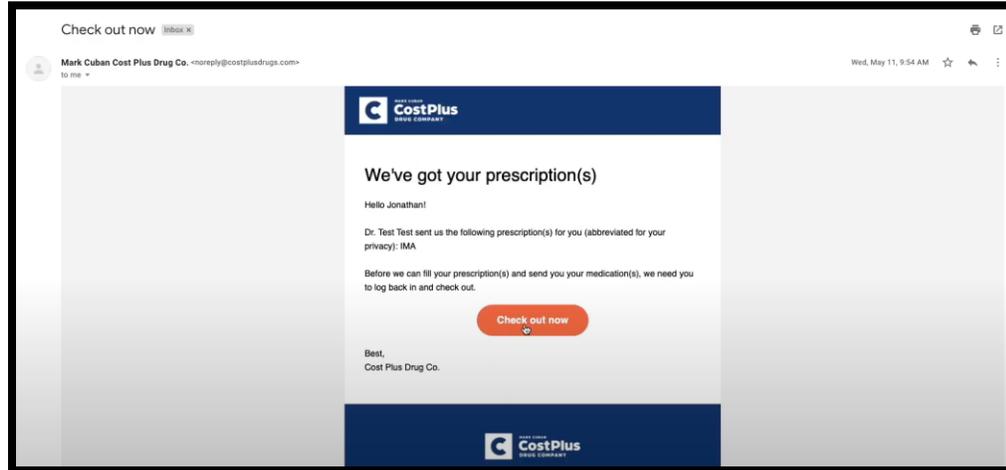

- ✔ Your name
- ✔ Your date of birth
- ✔ Your email address
- ✔ Your medications

Give your doctor this information for our pharmacy: NCPDP ID # 3689568

# How to use Cost Plus Drugs

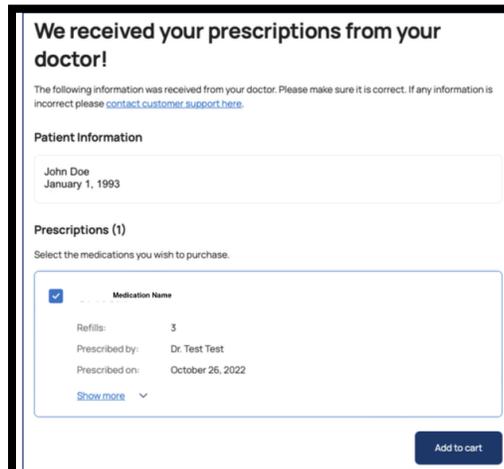

**12.** Cost Plus Drugs will email you within 24 hours after receiving the prescription from your doctor

- Open the “Check out now” email and click the *Check out now* button to log into [costplusdrugs.com](https://costplusdrugs.com)
- Note: If you do not receive an email from [noreply@costplusdrugs.com](mailto:noreply@costplusdrugs.com) that says, “Check out now”, then they have not received your prescription

**13.** You will see “We received your prescriptions from your doctor!”

- Your new prescription(s) will be listed
- Click the *Add to cart* button
- Note: You can also click *Prescription Manager* to view all your prescriptions

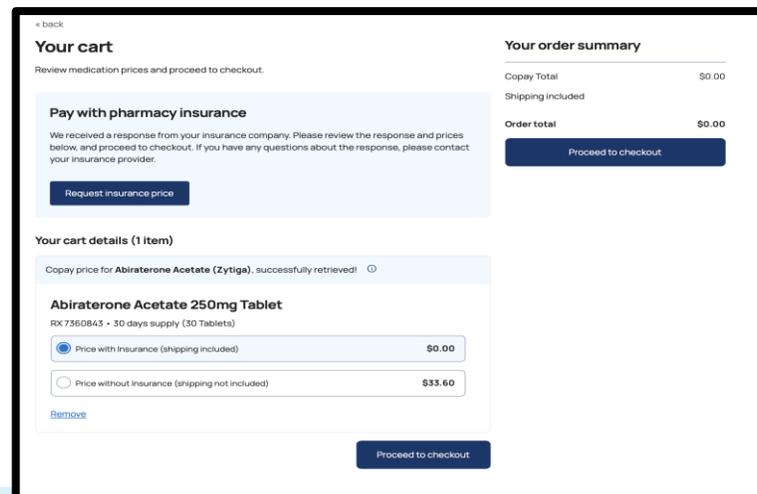

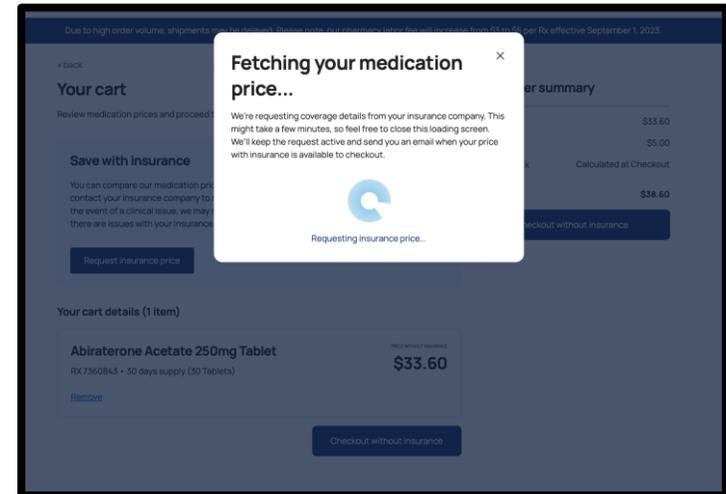

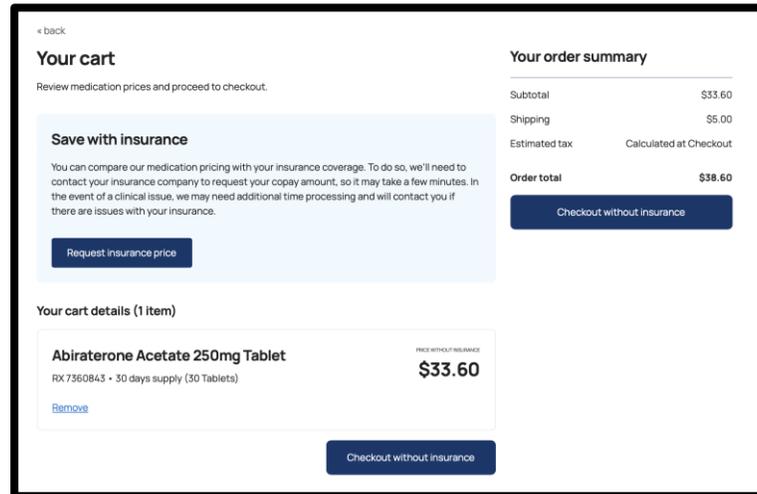

# How to use Cost Plus Drugs

**14.** View your cart and click *Request insurance price* to have the pharmacy process the prescription under your insurance

- The request insurance price can take ~30 seconds
- You can wait or leave the session. We will email you once your insurance request has been verified.
- Note: If your request requires review or triage, we will email you once the request is complete.

**15.** Once the insurance price has been confirmed, you will see your price with insurance (copay amount) and the price without insurance.

- Select the price you want to checkout with
- Click the *Proceed to checkout* button
